Prophecy of Class of '46

Since I am the seventh daughter of a seventh daughter, I have great psychic powers. Now, as I gaze into my crystal ball I can see twenty years into the future and I can discern the figures of some of the class of 1946 of Campbell College.

A large building comes into view and I see that it is the place of the annual meeting of the National Secretarial Society. I see a group come out of the door and, lo! they are all Campbellites. Vinna Beane is secretary to the governor of North Carolina, Lorraine Britt is secretary to the president of the American Airline Company, Lester Gaskill is head secretary to General Douglas MacArthur, Cora Maie Parker is assistant secretary to the vice president of the United States, Gwendolyn Pearce is secretary to the governor of Virginia and Lois Wells is secretary to Baxter Walker, who heads a large church in Fayetteville.

Now, I see all the way across the ocean, and Mac Byrd is head of the American-Chinese Air Force. He is a general with two stars.

In the married group, I see Reva Cadd, Ruby Cashwell, Mary Ruth Bodenheimer, Helen Patterson, Sue Weathers, Annie Duke Wheelless, and Dorothea Stewart.

Meg Darden is head of the Red Cross nurses overseas. She is stationed in Berlin, and is contemplating marriage on her first leave.

Mr. and Mrs. Roy Parker are in Africa. I see Roy is doing medical work and Emma is teaching.

Doris Robbins and James Reid are now Mr. and Mrs. Reid. They live in New York and James is director and owner of The Reid Photography Company.

Sarah Humphrey and Madeline Smart are doing full-time Christian work; both are pastor's assistants. Mildred Harrell is also in religious work. She is a missionary to Japan.

Athelle Coleman, I see, is head nurse at Duke University, Ernestine Clarke is a doctor's assistant in Hickory, North Carolina. Lola Caudle is an eye specialist in Tennessee and seems to have thoughts of becoming engaged.

Madolyn Goodwin is teaching typing in New Bern High School. Olean Davis is also teaching. Her's is the seventh grade in Wilmington. Some other teachers, I notice, are Dora A. Ludlam, the second grade somewhere in S. C., Martha Jean Modlin, music at Meredith, J. C. Thomas, modern language at Wake Forest, Jackie Moore, math at Carolina, and Aretta Yarbrough, primary music at Danville, Virginia. She is also married. Catherine Campbell is teaching Home Ec. at Campbell until her marriage in the fall.

Jo Lasater has just won the Women's Tennis Championship of America. After this spring, she will be Physical Education Director of the Y.W.C.A. Catherine Upchurch is director of all Girl Scout Camps in America, with her headquarters in Kentucky.

Jack Wilder is a pastor of a church in Raleigh and doing a wonderful job.

Joyce Catlett is also in Raleigh. She teaches an art class for advanced art students.

Harry Lee is practicing medicine in Charlotte and next year is to head the Doctor's Convention of that city.

Mr. and Mrs. Lester Marsh are in Virginia. Margaret is Lester's able assistant.

Wesley Noble is owner of an exclusive undertaker's parlor in Rocky Mount. He is also president of the Undertaker's Association of N. C.

Mr. Aaron Phipps is pastor of a large church in Virginia and is secretary of the Virginia Ministerial Association, too.

Helen Xanthos is the only woman representative from New York. This makes her second term in the House.

Now, my crystal goes blank and I remember that this is the last of our classmates of '46 at Campbell.

JACQUELINE MOORE.

Last Will and Testament

Having completed the prescribed course of study at Campbell College and having realized our dreams, we, the class of nineteen hundred and forty-six, in leaving part of our hard earned substances to our successors and friends, do hereby declare this will official. The following acts are to be promptly executed upon our departure by those whom they may concern.

SECTION I

Article I. To President Campbell and the faculty we leave our sincere thanks and appreciation for their extended helping hands which aided us in securing an education.

Article II. Realizing that we could not have accomplished our ambitions without them, we will our love and undying gratitude to those who have encouraged and supported us.

SECTION II

Article I. To the Freshman Class we will and bequeath our dignity, wisdom, and all special privileges granted a Sophomore.

Article II. To every student undertaking a reading course or attempting a term paper, we leave a chair in the library.

Article III. To Dean Burkot we leave our French and Spanish books in the solemn hope that others may profit from them as we have.

Article IV. To "Uncle Johnny" we will our youth that he may long continue to serve his jokes and inspiration to the unwary guests of European History and Public Speaking.

SECTION III

Article I. To "Brownie" Brown, Meg Darden wills all her romantic tendencies.

Article II. Roy Parker, now engaged, leaves his popularity with the girls to a new aspirant, William Morgan.

Article III. Jim Reid and Doris Robbins will their mutual understanding and "old familiar places" to a promising young couple, Robert Rich and Dot Siegel.

Article IV. J. C. Thomas leaves his voracious appetite for languages to Mary Baity.

Article V. Wesley Noble wills his handsome and stately appearance to Robert Barbour.

Article VI. Not being able to take her physics with her, Helen Xanthos leaves it with Mrs. Harris from whence it cometh.

Article VII. Jackie Moore leaves her extracted tooth to the Biology Lab for future observation and study.

Article VIII. Mildred Harrell leaves her host of boy friends to anyone who will have them.

SECTION IV

The remainder of our accumulated estate, including library fines, old History notes, Miss Powell's English notebook, we will to the High School Seniors with our deepest sympathy.

I do solemnly swear that the above statements are the last will and testament of the class of nineteen hundred and forty-six.

JULIAN MOTLEY . . . President	RUTH WIGGINS . . . Secretary
ANNE JONES . . . Vice President	FRANCES LYNCH . . . Treasurer
MISS MATTHEWS . . . Faculty Adviser	

Far from being few in number and by all means richly endowed with optimistic ideals, we, the Freshmen, set sail, September 11, 1945, as inexperienced seamen toward numerous foreign ports. Unforetold lanes we sailed amidst raging storms of uncertainty from sunup to sunset and often on into the night, yet urged forward by the compelling challenge that somewhere out in the unseen were beautiful shores that would receive us into the folds of success. Thus ended the Freshman voyage, leaving many with eyes fixed on those exciting shores to be exploited as sophomores.

As Freshmen, we strove to leave in the memories of our departed friends, the sophomores, small marks of our appreciation for their leadership during the year and honored them with the Freshman-Sophomore banquet.

To our beloved Faculty we labored to leave a lack of regret when looking back and an abundance of expectancy for a joyous and a fruitful year with us as sophomores.

Class Poem

We the Class of Nineteen Forty-six
Have found it quite easy to mix.
It is true we have no history,
And it shouldn't be a mystery.
"We have come here from far off parts
With great aims in our hearts."

Dim lights burning late at night;
All those subjects were a sight.
Buzzer rings and students always late!
This has been our senior trait.
Teachers frown and always scold.
"Be on time!" we've been told.

Sitting in the drugstore gurgling a coke.
Kids all giggling at a moran joke.
Basketball game—a vibrating gym.
Our rivals' chances are mighty slim.
Couldn't tell you all we've done,
But gee, it has been so much fun.

Here at Campbell we've made friends,
A helping hand each student lends.
You'll find a spirit honest and true,
In every little thing we always do.
So as our class of Forty-six departs;
We have great sorrows within our hearts.

ANITA FREEMAN,
MARY LEA LINVILLE.

CLUBS and ACTIVITIES

STUDENT GOVERNMENT

To help each student adopt democratic ideals and high aims, Campbell maintains a faculty-student type of government. The Council assumes responsibility for leadership in keeping alive college traditions, in developing students in self-control and unselfish purpose, and in encouraging loyalty to Christian ideals. This year's Council is motivated by the idea that "a man should *be* upright, not be *kept* upright."

WOMEN'S HOUSE COUNCIL

Again, the Women's House Council under the very able leadership of Misses Leonora Dorsey, Virginia Overman, and Ophelia Matthews, faculty advisers; Margaret Barden, President; and Doris Robbins, Secretary, ended another successful year.

The council was responsible for the sale of stationery, the refunds purchasing new furniture for Treat parlor.

This year, we were glad to hear, the Council reported very few cases of girls being reprimanded for their behavior.

The I.R.C. is a movement started by the Andrew Carnegie Foundation whose main purpose is to study the relations between nations. The Foundation sets certain requirements and finances the clubs. Each club is responsible for its own organization and functions independent of other clubs except in activities such as the Annual Student Legislature Assemblies. This is one of the most outstanding accomplishments of the clubs.

The club seeks merely to acquaint the people with the relative events so that they may act more intelligently when deciding world issues. The programs consist of debates, discussions, lectures, and movies, each based upon the theme of world unification and peace.

The Ministerial Association of Campbell College is one of the oldest religious organizations on the campus. It was reorganized in 1941. Since the beginning of the organization there have been many members, some of whom are our outstanding preachers of the South. Through the program of the organization, ministerial students are helped by fellowship with each other and special study of the Bible to become more efficient proclaimers of the Gospel of Christ.

EPSILON PI ETA

Epsilon Pi Eta Society, honor society here, was organized in the fall of 1923, for the express purpose of promoting character, leadership, and scholarship. Membership in the society is gained by the nomination of at least twenty-five per cent of both the faculty and members of the society, in addition to attaining a fixed scholarship record for at least one year. Since its organization nineteen years ago, approximately 300 members have been voted in.

To our benefactors, whose earnings have thus been dedicated to the cause of Christian Education; to our patrons, who have entrusted us with their most cherished possessions; to our students, who have impressed others by the nobility of their lives; to the many other friends, who have maintained an abiding confidence in the institution, we are indebted for the continued growth of Campbell College through its fifty-seven years history. Looking to God for His continued help and guidance, we hope with the aid of our friends to do even better work, and to make the institution a more efficient agency for the uplift of humanity.
